ACADEMIC QUALIFICATIONS			
Examination/Degree	Year	Board/University	% / CGPA
B.Tech (Computer Science)	2021 - 2025	Shri Ramswaroop Memorial University, Lucknow	8.7 CGPA
12 th (Intermediate)	2021	Prestige Inter College, Deoria (U.P)	87.6%
10 th (High School)	2019	Prestige Inter College, Deoria (U.P)	82.8%

SKILLS

• **Programming Language**: Java (DSA), C

• Web Development: HTML, CSS, JavaScript, React.js, Node.js, Express.js

Databases: SQL, MongoDB Version Control: Git & GitHub

• **Deployment Platform:** Netlify, Render.com

PROJECTS

❖ Bank Management System (https://bharat-bank.netlify.app/)

• Enabled secure admin authentication with unique credentials.

• Admin Panel:

- Enabled secure admin authentication with unique credentials.
- Managed user accounts, transactions, and account details.
- Implemented secure update and deletion of accounts.

• User Interface:

- Facilitated secure user login.
- Provided detailed account summaries and transaction views.
- Ensured a secure logout process.

❖ Stack Overflow Clone (https://github.com/ParmeshwarMall/Stack-Overflow-Clone)

• Engineered a fully functional web application using the MERN stack.

• Features:

- Enabled user registration, question posting, answer submission, and voting.
- Developed a responsive frontend with React.
- Built a robust backend with Node.js and Express.js.
- Utilized MongoDB for efficient data storage of questions, answers, and user information.

EXPERIENCES

- Achieved a **4-star ranking on HackerRank** in DSA with Java, showcasing proficiency in algorithmic thinking and Java programming.
- Completed over 500+ DSA questions on LeetCode and GeeksforGeeks, showcasing a deep understanding of fundamental coding principles, data structures, and algorithms, and enhancing my analytical techniques.
- Proficient in developing scalable and responsive web applications using **MERN** (MongoDB, Express.js, React.js, and Node.js.) Successfully built and maintained multiple projects, including a bank management system and a Stack Overflow clone.
- Completed training on a real-time project, gaining hands-on experience in developing and managing scalable web applications.

CO-CURRICULAR ACHIEVEMENTS

- Secured 2nd position in CodeCode competition at Techfest conducted by IIT Bombay, showcasing prowess in competitive coding and algorithmic challenges.
- Attained 1st position in the Road Safety Examination held at my university, demonstrating a commitment to safety protocols and procedural adherence.
- Actively contributed as a member of the sports committee within my college hostel.
